# About Laughs for Legal Aid 2026

Laughs for Legal Aid 2026 (LLA 2026) is JFAI' 4th annual fundraising event in San Antonio, bringing together 150+ community members for an evening of entertainment and impact.

This year, our goal is to raise **\$50,000** in support of JFAI's Unaccompanied Children Program (UAC).

# Why This Event Matters

Nearly half of all unaccompanied children face immigration court alone.

Legal representation is often the deciding factor in an immigrant child's safety.

This event helps ensure children are protected, represented, and supported.

## Who Are Unaccompanied Children

Unaccompanied children are individuals under 18 who arrive in the U.S. without a parent or legal guardian able to care for them.

Most have experienced trauma, separation, or instability before and during their journey.

Unaccompanied children with attorneys are granted relief in **73%** of cases versus **15%** without.

## Seventeen and Fighting for a Future

Milton\* arrived in the United States as an unaccompanied minor after fleeing domestic violence and gang threats in Honduras. When released to his uncle, he believed he had legal representation. But when his original provider lost funding, that support disappeared. For over a year, Milton lived in fear and uncertainty, unsure if he would be allowed to stay or forced back into danger.

When he came to JFAI, he had nearly lost hope. Our team continued his case, accompanying him to every immigration court hearing and asylum interview, especially as his caregivers could not attend in fear of their own safety. JFAI supported Milton and obtained SIJS for a work permit and a pathway to permanent residency

Milton walked out of court feeling relieved and free. Today, he remains committed to graduating high school, working to support his disabled brother, and building a stable future.

**When legal representation is sustained and accessible, young people are given more than protection, they are given a real chance to thrive.**
